The word of the School Principal

The pedagogic and administrative teams and myself are very happy to welcome your children at the EFDB for another school year.

This year marks the celebration of two events: our Daycare “The little bubble” turning 10 and the French School of Basel turning 140, it is the oldest French school abroad ! And if we add to that the Olympic Games in Paris, this year will be truly unique !

A very good start of the School Year to all !
