New platform - EDUKA

The French School of Basel provides parents with a new administrative management platform for its students, **EDUKA**.

This will simplify all the formalities required of families, including:

- New registrations and re-enrollments,
- Registration for extracurricular activities,
- Consultation, verification, and updating of administrative data.

Visit of the policewoman

Mrs Heidi Schneider, a policewoman from the city of Basel came to the 2nd grade (CE1)

The students had the opportunity to have an initiation to scootering. They first had a theory session followed by practice.

Calcul@Tice

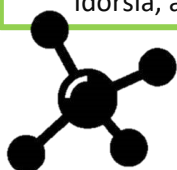

This month, students from 3rd and 4th grades participated in the competition, and each of them received a diploma with the mention "Excellent".

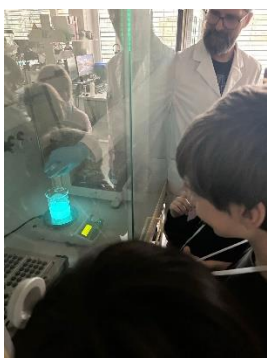

Field trip to Idorsia

The students of the 4th/5th/6th grades visited the premises of Idorsia, a pharmaceutical laboratory, on Monday 15 April.

It was an opportunity to engage in chemistry, molecular biology, and even 3D numerical simulation of proteins!

A very special visitor

The students of Moyenne Section continued their study of birds in German class: the chicken was highlighted.

"Méla" came to visit them. The children of the Petite Section and even the daycare also had the chance to see her and pet her. A beautiful memory for everyone!

Life at the Maternelle

Upon returning from the Easter weekend, a delicious discovery awaited the children.

Collective realisation :

Creating a painting in the style of Jasper Johns

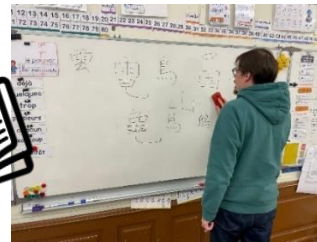

Runners and javelin throwers on the style of Roald Bradstock

Parents were able to appreciate the work of photographer Zolger Olivier by attending the screening of photographs taken during the dance session.

Book fair

As part of the Saint-Louis Book Fair, several authors visited the elementary and Grande Section classes.

The program included readings, drawing workshops, and various questions about writing and illustration.
