Reading night/evening

On Thursday 21 March, the children at the Elementary school had the opportunity to spend the evening at school to read and play while reading.

The 3rd/4th/5th/6th grade (CE2 /CM1/CM2/6^{ème}) could also sleep at school, a unique moment creating even more bonds between the students and their teachers.

Field trip at the Riverhin, Village-Neuf

In the agenda, a sportive and acrobatic morning in a beautiful gym arranged for the occasion.

All the Maternelle students take part in the exploration of the circus arts. On Thursday 21 March, they went to the Riverhin in Village-Neuf.

The children came back tired but delighted, and happy to have taken part in this event.

Kamishibai Competition

This competition is based on the diversity of languages through the creation of a story with a plurilingual dimension (at least four languages) and adapted to the Kamishibai tool, a magical way to tell stories.

The plurilingual Kamishibai competition offered by the AEFÉ, is an innovative and creative project.

This year, the 3rd grades (CE2) took part. We are looking forward to getting the results in June !

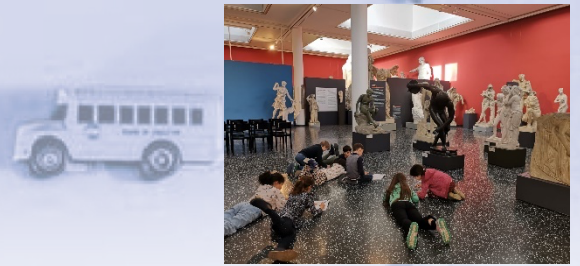

Field trip at the Skulpturhalle

The students of the Elementary went to the Skulpturhalle. They could see lots of statues.

An opportunity for them to draw the body, the movement, or even to strike a pose.

Calcul@Tice

Since mid-March and until mid-June, the students at the Elementary are participating in the Calcul@Tice competition, a maths competition through games on iPads.

This month, the students of the 5th / 6th grades (CM2/6^{ème}) participated. They all got a diploma with « Excellent ».
