Field trips and events

Kindergarten:
Tinguely Museum: discover the megastructures, then take part in a workshop to build your own machine.

Elementary :
Fondation Beyeler: express the emotions aroused by the paintings, then take part in a creative workshop.

"Discover Switzerland through nature"

Kindergarten children have been learning about the Swiss mountains and the animals that live there, such as the marmot...

... as well as the variety of vegetation present: deciduous trees in the plains and mid-mountains, and conifers at higher altitudes.

Commemoration of November 11

On November 11, the CM and 6ème pupils gathered at Kannenfeld Park ...

... an opportunity for them to commemorate through song and poetry.

The Pupils and their activities

For Halloween, special activities were organized and a themed snack was prepared.

To make the most of the beautiful autumn days, a number of outings were organized.

Saint Martin

For Saint Martin's Day, some kindergarten classes paraded through the school corridors.

The children also made lanterns and shared a snack around a collectively made cake.
