Carnival at school

What could be better than coming to school in fancy dress? 😊

Children and adults alike enjoyed a colorful day of carnival.

The crèche took the opportunity to run special workshops for the occasion.

"To your masks"

Marionnettentheater

The CE2 pupils, were invited by the Basel Police, to see a show on the theme of "road safety" at the Marionnettentheater

TRAFFIC SAFETY

Reading night/evening

Once again, the elementary school children spent an evening at school reading or doing other reading-related activities.

From CE2 upwards, they also slept at school. The following day, they enjoyed breakfast together.

Spring in the Swiss mountains

The kindergarten is working on the transhumance called "poya" in the Swiss Alps. The children have made a large poster to illustrate this tradition.

They turned into farmers to milk "their cows" and became bell ringers, tinkling our beautiful bell.

Naturhistorisches Museum outing

Each elementary school class visited the Naturhistorisches Museum.

The program included: tactile memory on furs, games on footprints, study of beaks and feathers, mountain workshops and animal drawings.

Calcul@Tice

As every year, the elementary school takes part in Calcul@Tice, a mathematics competition featuring games on the iPads.

The CM2/6^{ème} classes each received an "Excellent" diploma. The next classes to take part are CE2/CM1.

50 stars dinner

At the elementary school, children won the "50 stars" challenge thanks to their good behavior during lunch breaks.

They were rewarded with a surprise Italian menu which they shared outside: tomato-mozzarella and grape-cheese brochettes / Pizza with toppings / Panacotta with red berry coulis.
