School Chronicle

It's back to school at EFDB

On Monday September 1 2025,
EFDB students returned to school.

PEAC 2025-2026

This year, the theme chosen for the Artistic and Cultural
Education Project is "**complementary opposites.**"

Students will explore this theme through history, art and museum
visits.

A word from the director

The entire teaching and administrative staff and I are delighted to welcome your children to EFDB for this new school year.

We are also pleased to welcome a new teacher, Anaïs Sutter, to the second-grade class, as well as our civic service volunteer, Alice Savouré.

The "blue class" camp in Brittany for the elementary school will certainly be a highlight at the beginning of the year, but rest assured it will not be the only wonderful surprise!

We wish you all a great start to the school year!

Frédéric Fourt

Nursery Chronicle

Welcome!

The new children had a musical welcome from their teacher Aurore.

The Opposites Cake

The older children baked a "contrasts" cake (chocolate/vanilla) to kick off this year's theme.

Kindergarten Chronicle

Yum!

The preschoolers discovered the autumn basket and made a fruit salad.

Loupilou, the middle school mascot, introduced the children to two recipes: they made carrot soup and chocolate cake, based on two books, "La soupe aux carottes" (Carrot Soup) and "Un très très gros gâteau" (A Very, Very Big Cake).

Our artists

The kindergarteners painted their self-portraits! True budding artists 😊

The children also explored Autumn colors and weather.

Elementary and 6th Grade Chronicle

Back-to-school picnic

A wet but much-appreciated first school trip as part of the PEAC program.

This was an opportunity to prepare for our field trip to Brittany, braving the oceanic climate for a stroll along the Rhine!

Road safety

Heidi Schneider, a police officer from Basel, visited first-grade class.

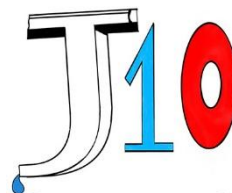

The program includes learning basic reflexes and good behavior to adopt on the road.

10 days to go: "Ile de Batz"

Thursday, September 25, 2025: 10 days to go before the blue class! Impatience is at its peak and suitcases

Chronicle of extracurricular activities and the day camp

The October day camp

The Autumn holiday day camp will take place from Monday, October 20 to Friday, October 31, 2025. Feel free to check out the program on the [Day Camp - EFDB](#) website and register at centreaere@efdb.ch or directly from your Eduka account.
